

Press release

MAN supports Bayern Munich Team's transport needs during Winter Training in Qatar

MAN Truck & Bus, which is an official transportation partner of top Bundesliga club FC Bayern München, and Qatar International Automobiles the sole distributor of MAN in Qatar announced their support for the team's transportation needs during its winter training in Qatar.

For the fourth time in a row, FIFA club world champions and current Bundesliga leader FC Bayern will be in Doha for the annual Volkswagen Camp Qatar. Coach Pep Guardiola and his team reached Doha on Sunday 5 January for their mid-season workout. During their stay a MAN Lion's Coach will take them around Doha. When not transporting football teams, the bus operates in the fleet of Mowasalat for VIP passenger transport.

According to David van Graan, Head of the MAN Center Middle East and Vice President Sales & Marketing, "Our association with the German Bundesliga which also has a great appeal here in the region goes back many years. We are delighted to support the recent Fifa World Club champions during their winter training here in Qatar with our world class buses so that they can enjoy the comfort and exceptional experience that MAN buses provide."

During league matches in Germany, the "MiaSanMia-Quartier" team bus of FC Bayern München is a MAN Lion's Coach L Supreme powered by a 480 HP engine and with 30 seats. The MAN PURE DIESEL® technology fulfils emission limit requirements without additives. The interior equipment with four fold-away tables, electrically adjustable legrests and leather seats makes for a comfortable and functional environment to make the players happy.

MAN is an official partner of the five Bundesliga clubs FC Bayern München, Borussia Mönchengladbach, Borussia Dortmund, Hamburger SV and VfL Wolfsburg. Team

MAN Truck & Bus Middle East

Since 2006, MAN Truck & Bus Middle East has been the regional representative of MAN Truck & Bus AG which is headquartered in Munich, Germany and the largest company of MAN Group. It is a leading provider of commercial vehicles and buses that are renowned for their robustness, reliability and adherence to high standards of driver and passenger comfort and safety.

MAN Truck & Bus Middle East operates through an extensive network of 35 private capital dealers and importers in 14 countries namely Afghanistan, Bahrain, Iran, Iraq, Jordan, Kuwait, Lebanon, Oman, Pakistan, Qatar, Saudi Arabia, Syria, United Arab Emirates and Yemen.

Accommodating for the demanding operating conditions in the Middle East, MAN Truck & Bus Middle East provides full-fledged turn-key solutions for both goods and passenger transportation by road through its light (TGL) , medium (TGM) and heavy-duty (TGS WW) ranges of trucks, and MAN and NEOPLAN buses that provide basic to VIP luxury transport and travel requirements.

The Transport Efficiency Program from MAN Truck & Bus

The amount of transport and traffic on roads is rising worldwide. At the same time, the long-term dwindling of energy resources is making transport increasingly more expensive. As one of the world's leading manufacturers of buses and trucks, MAN Truck & Bus makes an important contribution to the continued improvement of transport efficiency. MAN offers a

comprehensive efficiency program to reduce your total costs of ownership. Transport efficiency, consolidated in the fields of technology, service, the driver and future expertise protects the environment and is added value for our customers.

CONSISTENTLY EFFICIENT
