

Environmental Policy Statement

MAN Truck & Bus UK Ltd (MTBUK) is aware that operating its business has a significant impact on the environment. It is therefore essential that all parties concerned either within or outside the company, combine their efforts to both recognise and reduce the impact our operations have upon the environment.

It is the Company's policy to operate in accordance with a documented, maintained and independently accredited Environmental Management System and to comply with the requirements of ISO 14001:2004.

In order to achieve this, the company is committed to:

- Setting and reviewing objectives and targets to ensure continual improvement through the use of environmental performance indicators.
- Where practical to reduce or eliminate pollution.
- To ensure compliance with relevant environment legislation and other requirements related to our operations.
- Reduce and wherever possible eliminate the generation of waste and ensure its proper storage and disposal.
- To promote and train our employees in health, safety and environmental practices throughout the company.
- Monitoring progress and communicating environmental performance information as appropriate.
- Where practicable, encourage our customers, suppliers and subcontractors to strengthen their own environmental performance and goals.
- Communicating the policy to all company personnel and making it freely available to customers, the general public and other interested parties.

A handwritten signature in black ink, appearing to read "David Williams".
