Munich, June 30, 2015

Josef Schelchshorn will be the new Chief Human Resources Officer at MAN SE and MAN Truck & Bus AG. In his former position, the 54-year-old business economist and member of the executive board at SEAT S.A. was responsible for human resources, too. Previously, Mr. Schelchshorn held various management positions in human resources with Audi AG. On July 1, 2015, he will be succeeding Jochen Schumm (67), who is retiring after 51 years.

“I would like to thank Mr. Schumm for his committed and longstanding dedication. I wish him all the best for this new step in life. At the same time, I am pleased that we were able to win Mr. Schelchshorn as a very competent and experienced personnel manager and successor,” said Andreas Renschler, chairman of the Supervisory Board of MAN SE and member of the Board of Management of Volkswagen AG with responsibility for Commercial Vehicles.
