### **MAN continues to accompany FC Augsburg on its trips.**

MAN and FC Augsburg have extended their partnership which began back in 2015 by another three years until 2019. The news was announced by Peter Bircks, Marketing Director of FC Augsburg 1907 GmbH & Co. KGaA and Hartmut Sander, Vice President of MAN Truck & Bus AG.

“We are very proud of the fact that we have been able to engage such a competent partner for FCA in the form of MAN for a long period of time and that we will continue to enjoy the best quality on our trips,” says Peter Bircks.

Hartmut Sander is also pleased: “Now in its fifth consecutive season, FCA has been able to successfully establish itself in the Bundesliga. In our very first year of partnering with the Club, we accompanied it through Europe straight off. A large number of employees among us are also fans of FCA. In light of this, we are optimistic about the future and are delighted that our contract has been extended for another three years.”

The partnership centers on the Club’s team bus — an MAN Lion’s Coach L from company Ludwig Tours’ fleet. “Last year we highlighted the close ties between MAN, FCA, and the City of Augsburg with the bus presentation at the Diesel & Turbo Augsburg site — an emotional partnership that is profitable for all those involved,” continues Sander.

MAN has been an official commercial vehicle partner for FC Augsburg since 2015.
