Munich/Jandelsbrunn - MAN Truck & Bus is entering the motorhome segment with an expert partner. A letter of intent on future collaboration was signed with Knaus Tabbert GmbH. In the coming years, MAN Truck & Bus will supply MAN TGE model van chassis to Knaus Tabbert GmbH for the production of motorhomes. The vehicles will be manufactured at the Knaus Tabbert plant in Jandelsbrunn, Bavaria.

In future, motorhome customers will have an alternative product in the premium segment. A letter of intent was signed with MAN Truck & Bus AG at the headquarters of Knaus Tabbert GmbH, a leading manufacturer of motorhomes, caravans, and camper vans. The letter of intent stipulates the supply of MAN TGE van chassis to Knaus Tabbert in the coming years. The plan is to ship a considerable volume of MAN TGE in 2019, and then successively increased the volume over the years. Knaus Tabbert Sales Director Gerd Adamietzki and Dennis Affeld, Senior Vice President Sales Van at MAN Truck & Bus GmbH, sealed the collaboration in Jandelsbrunn.

“We look forward to working with MAN and are confident that this will enable us to offer our customers more attractive vehicles in the future,” said Gerd Adamietzki at the signing of the letter of intent in Jandelsbrunn.

The first vehicles from the agreed co-production can be seen in Knaus Tabbert Hall 4 at this year’s Caravan Salon (25.8.-2.9.2018) in Düsseldorf.

MAN Truck & Bus is one of Europe's leading commercial vehicle manufacturers and transport solution providers, with an annual revenue of some 10 billion euros (2017). The company's product portfolio includes vans, trucks, buses/coaches and diesel and gas engines along with services related to passenger and cargo transport. MAN Truck & Bus is a company of Volkswagen Truck & Bus GmbH and employs more than 36,000 people worldwide.
